**Subject:** RE: Data Quality Inquiry TIMBER PRODUCTS CO MEDFORD TRIF ID 97501TMBRP25EAS

Tony:

As we discussed by telephone, the change in release that you note was caused by a change in the process, wherein we changed adhesives in our particleboard plant. We are now using methylenediisocyanate (MDI) resin instead of urea formaldehyde. The data in the RY2012 submission is correct.

### **Data Quality Questions to Facilities Regarding 2012 Toxics Release Inventory (TRI) National Analysis**

Dear Mr. Emery:

This email message is part of an annual data quality check EPA conducts before releasing its Toxics Release Inventory National Analysis for reporting year 2012. EPA performs many analyses on the TRI data prior to releasing the final report to the public to ensure that the TRI dataset is of the highest quality possible.

A Form R from your facility's RY2012 submission(s) has been identified for follow-up due to the following:

Your facility reported > 25% change in total air release of chemicals. Would you please review this Figure for accuracy?

#### **How do I respond to this inquiry?**

Please check one of the following, explain 'Reason(s) for Change(s)' if needed, and reply to me by return email:

☐ New Submission  
☐ Withdrawal

☐ Revision  
☐ No Change

Reason(s) for my Selection \_\_\_\_\_

If you would like to make any revisions, withdrawals or new submissions, **please send them to EPA by 5:00 p.m. EST, Friday, September 10, 2013.**

#### **How do I submit a revision, a withdrawal or create a new submission?**

Please refer to "How to Revise TRI Data" at [http://www2.epa.gov/sites/production/files/documents/revise\\_tri\\_data.pdf](http://www2.epa.gov/sites/production/files/documents/revise_tri_data.pdf) and "Submitting a Request to Withdraw Data" at [http://www2.epa.gov/sites/production/files/documents/withdraw\\_TRI\\_data.pdf](http://www2.epa.gov/sites/production/files/documents/withdraw_TRI_data.pdf) for detailed instructions.

If you have any follow up questions, please contact me at 206 696 2099 or via email at [davis.tony@epa.gov](mailto:davis.tony@epa.gov).

Thank you for your attention to this matter.

Sincerely,

*Tony Davis*
